Minister flooded with requests to save Lakes

ACTION IN PLANNING STAGE: ***MLA L. Nagendra seen interacting with MCC Commissioner Gurudatta Hegde at Kukkarahalli Lake in city this morning as Mysuru District Minister V. Somanna MP Pratap Simha, BJP leaders H.V. Rajeev, B.P. Manjunath and others look on.***

Mysuru, Sept. 8 (PM&BCT)- On November 22, 2018, the then Tourism Minister S.R. Mahesh visited the Kukkarahalli Lake early in the morning along with a battery of officials and interacted with walkers and environmentalists. He promised development works under a budgetary allocation of Rs. 2.9 crore.

This morning, the Lake saw one more VVIP visit as Mysuru District Minister V. Somanna landed at the University entrance of the picturesque Lake at 6.30 am. The Minister was accompanied by a host of leaders including MP Pratap Simha and MLA L. Nagendra. Officials also joined him.

Among the development works proposed when S.R. Mahesh visited the Lake last November were improvement of Kuvempu Vana, providing diffused aerator, slurry pumping unit, construction of parking areas and toilets, boating jetty, security office, improvement of Dewan Poornaiah Canal, creation of Bamboo Diversity Park and a Botanical Garden.

However, none of the above projects were implemented and much water has flowed under the bridge.

Today again Minister Somanna promised the development of the lake and conserve it as a lung space.

Interacting with walkers, Somanna said that efforts will be launched to conserve all the Lakes of Mysuru including Kukkarahalli and Karanji Lakes. The walkers told the Minister that the Lakes of Mysuru were in a pathetic condition and needed urgent intervention. They said that sewage continues to flow into Kukkarahalli Lake from surrounding residential areas despite promises by University of Mysore that is the custodian of the Lake.

Ram Jethmalani passes away

New Delhi, Sept. 8- Ram Boolchand Jethmalani or Ram Jethmalani, one of India's well-known lawyers and a former Union Minister, died this morning at his home in New Delhi. He was 95. Jethmalani had not been keeping well for the last few months, his son Mahesh said. The legal veteran died at 7.45 am. His last rites will be performed this evening at the Lodhi road crematorium.

Ram Jethmalani

A six-time Rajya Sabha member, Jethmalani served as a Union Minister in the United Front and the BJP-led NDA governments. In 2016, he was elected to the Rajya Sabha on RJD ticket. One of the highest-paid lawyers, he announced his retirement from over seven-decade-long career as an advocate in 2017. He died six days before his 96th birthday.

Devastating Bandipur inferno

No action yet on guilty Forest Officers

Mysuru, Sept. 8 (MTY&BCT)- Despite a Forest Department-constituted committee recommending disciplinary action against senior and junior forest officials for the devastating forest fire that occurred in Bandipur National Park during February this year, no action has been taken so far. A top Department officer, however, has stated that they were waiting for a Vigilance Committee report to initiate action.

The Committee has found that rampant corruption and dereliction of duties are the major reasons for the fire to burn precious flora and fauna and the mandatory precautionary measures were not taken to prevent fire before the dry season started.

The inferno had destroyed more than 3,000 hectares of fully grown forest in the ecologically sensitive Tiger Reserve that is home to tigers, leopards, civets, sambar deer and four-horned antelopes among other animals.

Following the fire, an Inquiry Committee was set up by the Department under the leadership of Senior Forest Officer Harikumar Jha and the Committee has submitted the report in April this year. And even after four months, no action has been taken against guilty officials.

EDITOR'S BOTTOMLINE

Two desis discussing Home Minister Amit Shah's announcement that all illegal immigrants will be deported.

***1st desi**: Mantri Amitji has said that all illegal immigrants will be deported. Do you think it'll affect us?*

***2nd desi**: Affect us? Why should it affect us? I mean, we, you and I, are as desi as desi can be.*

***1st desi**: I know that. And you know that. But how do we prove to Amitji, or anyone else, that we are genuine desis, and not illegal immigrants, we don't have birth certificates, or passports, or anything, as a lot of us desis don't?*

***2nd desi**: Hmm. I see what you mean. That could be a problem.*

***1st desi**: And to make matters worse, many of these fellows who call themselves historians say that most of us desis who live in north India are descended from a bunch of guys called Aryans, who came from Central Asia, or Persia, or someplace.*

***2nd desi**: So, having descended from illegal immigrants we must all be illegal immigrants ourselves. Which means that Amitji will have to deport all of us, lock, stock and barrel.*

***1st desi**: Another lot of fellows who call themselves scientists say that everyone in the whole wide world is descended from the first human being, who was an African. Which means that, apart from people living in Africa, everyone, everywhere is also descended from illegal immigrants and could also be deemed to be an illegal immigrant.*

***2nd desi**: Uh, oh. We better start packing our bori-bistar and get ready to be deported to Africa by Amitji.*

***1st desi**: Don't be in a rush. Because, like all of us, Amitji will have to deport himself to Africa — along with another guy who's got a bee in his bonnet about illegal immigrants and who right now is living in a place called The White House ...*

Man paddleboards from California to Hawaii in 76 days

San Fransisco: A man who set off from San Francisco in June became the first person to stand-up paddleboard from California to Hawaii 76 days later. Antonio De La Rosa, 50, from Spain, set off from San Francisco on June 9 with a 90-day supply of food and his next human contact came when he encountered fishing captain Kekoa Seward off the coast of Molokai recently. De La Rosa travelled about 2,500 miles on his paddleboard in 76 days, only six days later than his goal of 70 days.

The athlete's paddleboard, the Ocean Defender, measures 24 feet long and includes a sleeping cabin and solar panels to power his GPS device and other useful electronics.

Corn maze as tribute to Apollo 11 moon landing

Spring Grove: An Illinois farm famous for its large and elaborate corn mazes unveiled its latest version: a 28-acre tribute to the Apollo 11 moon landing. Richardson Adventure Farm in Spring Grove unveiled its latest corn maze design, which features 9.7 miles of trails arranged in the shape of two astronauts, the Saturn rocket, a US flag, the planet Earth, and the words "Richardson Farm" and "Apollo 50," marking the 50th anniversary of the moon landing.

The Richardsons said the maze also includes bridges that serve as viewing platforms for people who have trouble finding their way. "No one's ever gotten lost," co-owner Robert Richardson stated. "At least not for long! And no one's ever called 911," he added.

What's a good natural sleep remedy?

HOPS
Humulus lupulus

Most insomniacs have tried valerian root as a sleep aid. If the valerian didn't seem to work for you, give hops a try. More than just an ingredient in beer, hops has sleep-inducing properties as well. Studies have shown that hops decreases the time it takes to fall asleep, and it improves sleep quality.

Workshop on 'Labour Laws' on Sept.12

Mysuru, Sept.8- Edin Synergy Global is organising an interactive workshop on 'Impact of Labour Codes on Business Environment & HR Operations' on Sept.12 at Hotel Preethi International, B.N. Road at 9.30 am.

The workshop will be inaugurated by S.K. Vontigodi, Principal District & Sessions Judge, and guests of honour will be Anitha Aiyappa, Senior Group Vertical Head - HR, Theorem Inc and Dr. P.S.V. Balaji Rao, Professor & Head, Department of Business Management, Vidyavardhaka College of Engineering.

Four Labour Codes

The Union Government has codified nearly 44 existing Labour Laws into four Labour Codes, namely the Wages Code, Industrial Relations Code, Code on Social Security and Welfare, and Code on Occupational Safety, Health and Working Conditions.

Out of the four codes, the Code on Wages has been passed by the Lok Sabha and has been published in the Union Gazette on Aug.8, 2019. It will come into force on such date as the Central Government may notify it.

The Code on Occupational Safety, Health and Working Conditions has been introduced in the Parliament and the Government has agreed to refer it to the Standing Committee for a thorough discussion. For registrations, visit: *https://forms.gle/DhRqcWU9YidzNVLk6*

Objections invited for liquidation

Mysuru, Sept.8 (US)- Sri Adishakti House-building Co-operative Society, coming under the jurisdiction of Deputy Registrar of Co-operative Societies, Mysuru district, has been liquidated as the Society was not abiding by the stipulated bylaws and a Liquidator too was appointed.

Though the liquidation was effected a couple of months ago, neither the members of the Society nor public have appealed to rejuvenate the Society.

As the Society members are not getting any benefits, steps have been taken to cancel the registration of the Society. Written objections with supporting documents are invited from members of the Society and public within 15 days of publication of this notice failing which the registration of the Society will be cancelled.

Crossing over the median is against road safety

Sir,

Medians on the road are meant for road safety and it facilitate easy movement of vehicles. It restricts the drivers not to go on to wrong side of the road. However, it is noticed recently that some people have damaged the median at two places on the Ring Road — one between Bogadi Cross and Rajarajeshwari Nagar Cross *(see pic.1)* and another between Vijayanagar 4th Stage Cross and Hinkal Cross *(pic.2)* to facilitate movement of two-wheelers from one side to other, as a short cut to avoid going to the end of the median and take a U-turn.

Many two-wheeler riders, including senior citizens, were seen crossing the median through these openings. They should remember that such an action may cut short their lives while doing so.

Presence of bushes blocks the visibility of such vehicles and it may lead to accidents as vehicles on extreme right side, especially on the Ring Road, might be moving faster thinking that there are no vehicles to cross the road till the gap in the median.

Sudden appearance of two-wheelers across the road may create panic in drivers of other vehicles which are very close to such places. In such a condition, if they press the accelerator instead of applying breaks, accident is sure to happen. Violating two-wheeler riders are taking risk for themselves and posing danger to other road users. Such violations may force the authorities to replace the median with high rise concrete wall or blocks.

State to have two more Dy.CMs?

Bengaluru, Sept.8 (KMS&DM)- Following the example of neighbouring Andhra Pradesh, where there are five Deputy Chief Ministers (Dy.CMs), in the Jaganmohan Reddy Cabinet, Karnataka Chief Minister B.S. Yediyurappa too is said to be mulling on having two more Dy.CMs in order to maintain caste equations.

Rural Development and Panchayat Raj (RDPR) Minister K.S. Eshwarappa, a Kuruba leader and Health Minister B. Sriramulu, a Valmiki Community Scheduled Tribe (ST) leader,

K.S. Eshwarappa

B. Sriramulu

are said to be upset over being deprived of the Dy.CM post, as both were keen on getting this important position.

With Dr. C.N. Ashwath Narayan, a Vokkaliga and Laxman Savadi, a Lingayat, taking oath as Dy.CMs, the other top leaders in the BJP, who were eyeing the post, were said to be upset over being kept out.

Eshwarappa and Sriramulu, who are disappointed over not being considered for Dy.CM post, are yet to hold meetings with officials of their concerned departments even after a month of holding office.

CM Yediyurappa, taking note of the resentment among top BJP leaders, is said to be seriously considering appointing two more senior party Legislators as Dy.CMs, with Eshwarappa and Sriramulu, the likely choices.

Yediyurappa is said to be facing challenges from other quarters too, as some senior Ministers in his Cabinet are lobbying for becoming in-charge Ministers of the district of their choice.

With the by-polls for 17 Assembly constituencies likely to take place at the end of the year, the CM is keen on having Eshwarappa and Sriramulu as Dy.CMs is order to maintain caste equations and social chemistry, with the Congress already getting ready for the by-poll.

People concerned as cracks resurface on Brahmagiri Hill

Madikeri, Sept.8- With heavy rains continuing to lash Bhagamandala for the past few days, after a brief lull, cracks have resurfaced at several spots in Brahmagiri Hill range, thus giving rise to concerns among local residents.

Some of the cracks (chasms) are 1 ft. wide and 2 ft. deep.

Following heavy rains in Brahmagiri Hill range, Bhagamandala and surrounding areas, the storm water is flowing directly through these cracks, which results in the cracks getting wider and deeper.

Although Brahmagiri Hill is more lush green and naturally solid when compared to other hill ranges in Kodagu district, the resurfacing of cracks on the outer surface of the hills are a cause of worry for the people.

If the cracks become wider and deeper, then there is every chance of portions of the hill range collapsing, thus posing a serious threat to the houses of priests located at a close distance from the foot of the Brahmagiri Hill.

This is the second time in less than a month that cracks have surfaced on the outer surface of the Hill, which also gives birth to Cauvery river, the lifeline of crores of people.

Bhagamandala had received more than 12 inch rainfall on a single day three days ago, following which the Triveni Sangama got completely submerged and traffic on the Bhagamandala-Iyyengeri and Bhagamandala-Madikeri roads was completely disrupted.

Although heavy rainfall is common in Bhagamandala, the deluge coupled with water force has posed a threat to the Brahmagiri Hill range.

It may be mentioned here that when cracks developed on Brahmagiri Hill for the first time last month, a Geological Survey of India (GSI) team comprising Sunandan Basu and Kapil Sharma had inspected the spots. The team then, after conducting a thorough study of the nature of cracks, had advised the authorities to ensure that storm water does not run through the cracks.

Traffic fine

First day collection: Rs.1.78 lakh

Mysuru, Sept.8- The City Police have begun collecting revised penalties for traffic offences from motorists since yesterday.

According to information provided by the city Police, 162 cases were booked against traffic offenders yesterday yielding a fine of Rs.1,78,500.

However, the number of cases booked yesterday was lower than 10 percent of the average number of cases booked every day in city.

Over 1,701 cases were booked on Friday and Rs.2,08,000 was collected in penalty, the number of cases booked on Thursday was 1,631, with the collected penalty being Rs.1,66,600.

Vehicle-lifer arrested

12 two-wheelers recovered

Mysuru, Sept.8- In a major haul, the CCB Police, who arrested a vehicle-lifter, have recovered 12 two-wheelers totally worth Rs.15 lakh, allegedly stolen by him.

Kumar

Kumar, 24, of Alanahalli near Gaddige in H.D. Kote taluk, is the one who is arrested.

Acting on a tip-off, the CCB sleuths picked up Kumar when he was trying to sell an Apache bike in front of the KPTCL office at SRS Hootagalli on Mysuru-Hunsur Road on Sept.5.

During interrogation, Kumar confessed to have stolen two-wheelers along with his associate at many places, following which 12 two-wheelers, totally worth Rs.15 lakh, were recovered from him.

With the arrest of Kumar, the Police have succeeded in cracking 12 cases of vehicle theft, including seven in Mysuru city, two in Mysuru district and three in Bengaluru city.

Second batch of Dasara elephants to arrive at Palace premises tomorrow

Mysuru, Sept. 8 (US&MTY)- The second batch of eight elephants to participate in Dasara Festival will arrive from various elephant camps at Mysore Palace premises tomorrow.

However, Balarama, 61, from Mattigodu camp has already arrived in city.

The first batch of six Dasara elephants — Arjuna, Abhimanyu, Dhananjaya, Eshwara, Varalakshmi and Vijaya had arrived at Aranya Bhavan in Ashokapuram here on Aug. 22 and later entered the Palace premises on Aug. 26.

Balarama arrives in city

The members of the second batch — Cauvery, 41, Vikrama, 46 and Gopi, 37 from Dubare; Durga Parameshwari, 52 from K. Gudi; Jayaprakash, 57, Lakshmi, 17 and Rohit, 19 from Rampura (Bandipur) will arrive tomorrow. Jayaprakash, Lakshmi and Rohit are new inclusions for Dasara not to exclude Eshwara of the first batch.

Out of the four new-comers Rohit and Lakshmi will be additional elephants to be included in the rehearsals but it is yet to be decided regarding their participation in the procession.

DCF (Wildlife) Alexander said that the second batch of elephants are usually brought 30 days prior to the Jumboo Savari. He added that instructions have been passed on to the officials at the elephant camps and corresponding mahouts and kavadis regarding the despatch of the second batch of elephants.

Illuminate your Commercial Complexes for Dasara, requests CESC

Mysuru, Sept. 8- The Chamundeshwari Electricity Supply Company (CESC) has requested owners of commercial complexes and buildings in the city's major streets to illuminate their buildings, preferably with pale yellow coloured lights, from Sept. 29 to Oct. 8 and make the city more attractive and glittery during Dasara, according to a press release.

Satyagraha Soudha remains a centre for illegal activities

Local residents hope to see a new Shivapura Freedom Monument at least for Platinum Jubilee of India's Independence

By Nagaiah Lalanakere

Mandya, Sept.8- Any road traveller from Mysuru to Bengaluru would not miss a striking red and white building with a unique shape at Shivapura in Maddur taluk, Mandya district.

One plain look at the building will make a person think twice as the shape, structure and ambience is way different from other structures on the same stretch.

A little prodding and exploring will show that it is an inspiring monument of India's freedom struggle. It was built to commemorate the Shivapura Flag Satyagraha of 1938 and it is called the Satyagraha Soudha. The structure was inaugurated on Oct.26, 1979.

Sadly, the building has become a hub of illegal activities and despite much news written on it, the building lies in a state of neglect and only a handful number of people remember the Flag Satyagraha and the building which was constructed in its memory. **Even *Star of Mysore* had published a report "Shivapura Satyagraha Soudha cries for 'Freedom' from anti-social elements" on Aug.14, 2017. Still there is no change in its condition.**

First conference of Mysore Congress

The first conference of Mysore Congress was held in 1938 at Shivapura. After this struggle, the movement for independence became stronger. Leaders then opined that Shivapura was most suitable for Satyagraha. Sahukar Chennaiah, H.C. Dasappa, Rangaramaih, M.N. Jois and others took the lead. T. Siddlingaiah was elected as the President of the Satyagraha Committee.

The Shivapura Satyagraha Soudha.

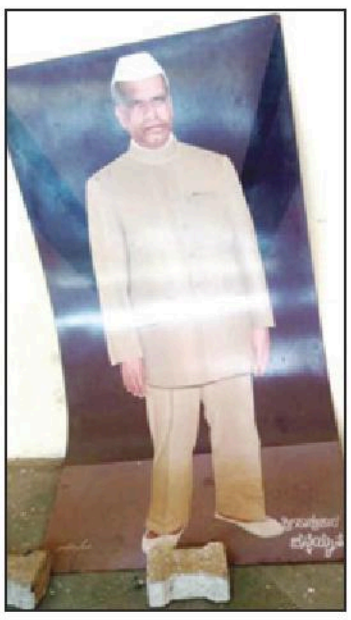
Shivapura could easily hold over 40,000 people.

However, the Mysore administration prohibited any meeting within three miles of Shivapura for a month but Satyagrahis were bent upon doing their part of the work. On 8th April 1938, Siddlingaiah was taken in procession in a bullock cart in which about 10,000 people participated. The participants proclaimed their faith in the leadership of Mahatma Gandhi. The flag was hoisted on 9th April 1938.

Flag hoisted

T. Siddlingaiah hoisted the flag in violation of British District Magistrate and made a brief speech. Later, Siddlingaiah and M.N. Jois were arrested. The second and the third day all these rituals were repeated. The Flag agitation ended in the evening of 11 April, 1938. In all, thousands of people participated in the Satyagraha and seeing the sheer number of people, the British rule in the Mysore State was rattled.

An important decision at Shivapura was to request the Mysore Maharaja to grant responsible government and if it is not accepted, an agitation should be resorted till the request is accepted. Many were arrested but the agitators did not budge.



The pathetic state of the portrait of Sahukar Chennaiah inside the Satyagraha Soudha.

Red letter day

To mark the Satyagraha, Kengal Hanumanthaiah wanted to construct a building. He entrusted this work to engineers Lakshmana and Pawar from Indo-Swiss Corporation. They prepared the blueprint for the monument and PWD engineers took up the construction. This monument was dedicated to the public on 26th October 1979 at a function which was presided over by Kengal Hanumanthaiah.

A hub of illegal activities

Sadly, the building that has such an illustrious past has now become a centre point of illegal activities for anti-social elements living in Mandya and Maddur. Many people come here after dark after scaling the boundaries of the Soudha to indulge in drinking, gambling and even prostitution. Playing cards, empty liquor bottles and condoms are found all over the place and the wine shops in the vicinity add to the air of disrepute.

Lack of political will showed by elected representatives, absolute do not care attitude by the District officers who are supposed to maintain the premises have resulted in the Soudha going into the hands of anti-social elements.

Fungus growth and leaky roof

The responsibility of maintaining the monument lies with the Public Works Department (PWD) and the Horticulture Department and none of them have taken the task seriously. Fungus has covered the central dome of the hall with water seeping from every nook and corner of the structure when it rains heavily. Some of the wooden doors are missing and window panes have been broken.

The entire place reeks of urine smell and the dancing fountain around the Soudha has dilapidated. The plaques and signboards are gathering dust.

When S.M. Krishna was the Chief Minister, he had decided to construct an annexe to the Satyagraha Soudha at a cost of Rs.1 crore. But only Rs.50 lakh was released and the construction works stopped.

Doors and granite stolen

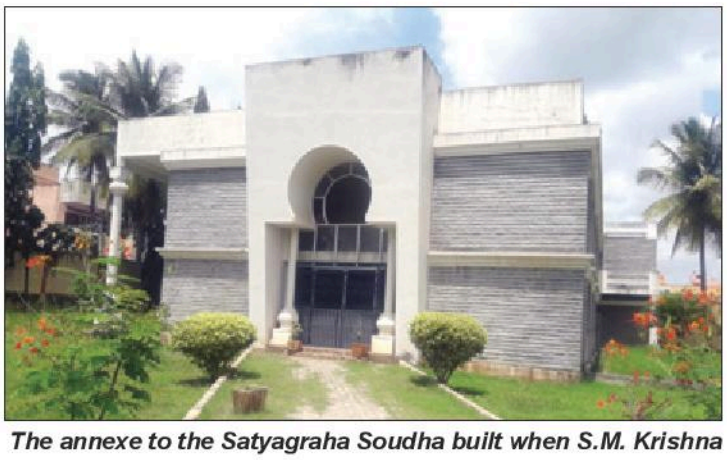
Now the doors and granite stones have been stolen from the annexe, thanks to the apathy of PWD, Horticulture Departments and the Mandya City Municipal Council (CMC). The annexe has sections like library, meeting hall and Khadi Bhandar. These sections resemble a haunted house with doors, windows and furniture missing.

The authorities had grand plans of restarting the fountains, installing decorative lights, introducing audio-visual programme to recollect the freedom struggle, setting up of a photo gallery. Not a single plan has materialised. Now the fountains that used to be active after dark through attractive water sprinklers have stopped functioning and the pipes have gathered dust.

Will Platinum Jubilee be a saviour?

Forget new plans, local residents say that the Mandya CMC, PWD and the Horticulture Departments can at least maintain the existing structure and prevent outlaws from entering the Satyagraha Soudha. Added to the pitiable condition of the Soudha, sewage water from surrounding areas flows around the historic monument marring its beauty and the entire Soudha stinks due to this.

Local residents are hoping that the Satyagraha Soudha will at least sport a new look two years later when it will be 75 years (Platinum Jubilee) after gaining independence.



The annexe to the Satyagraha Soudha built when S.M. Krishna was the Chief Minister.

The grand water fountain where there were plans of introducing illuminated water springs. The pipes are rusting now.

Inner Wheel Milestone-2019

Sadhguru calls for eco-friendly initiatives to save River Cauvery

Sadhguru Jaggi Vasudev is seen with South Zone Inner Wheel Office-Bearers Madhu Nagpal, Sujatha Senthil Kumar, Lakshmi, District 318 Chairperson Anuradha Nandakumar, Mamata Gupta, Lalana Murthy, V.L. Srivalli, Anitha and Nalini during the inauguration of 'Milestone,' a two-day South Zone Meet 2019 of Association of Inner Wheel Clubs at Asha Prakash Shetty Bunts Convention Centre in Vijayanagar 2nd Stage yesterday. Picture right shows senior most Past Inner Wheel District 318 Chairperson Binnie Nanaiah being felicitated on the occasion.

Mysuru, Sept.8 (MK&VNS)- People are more worried about economic condition of the country and not about conservation of environment and natural resources, said Isha Foundation Founder Sadhguru Jaggi Vasudev here yesterday.

He was speaking after inaugurating 'Milestone,' a two-day South Zone Meet 2019 of Association of Inner Wheel Clubs in India hosted by Inner Wheel District 318 of Mysuru at Asha Prakash Shetty Bunts Convention Centre in Vijayanagar and added that people with greed to earn more over exploit the natural resources without thinking about the future. "Cauvery Calling is an initiative to create awareness about growing forest, especially in the Cauvery basin to ensure availability of water throughout the year," he added.

Stating that Central Government, Karnataka and Tamil Nadu Governments had responded positively for 'Cauvery Calling,' Sadhguru said that about 82 percent of forest had been destroyed on the Cauvery basin and added that the authorities had to be apprised about the need for taking up afforestation programme on the Cauvery basin. He also added that the increase in the use of chemical fertilisers was harming the soil at an alarming rate and added that if continued it would not be possible to grow any crop in the next 50 years.

Sadhguru advised parents not to impose restrictions on their children and added that every child must be allowed to become independent as they grow.

Cultural potpourri

The members of the Inner Wheel Club, who have come from all over the country, exhibited their cultural talents including dance and drama.

They also staged a play depicting the contributions of Mysore Wadiyars. They also rendered songs in Kannada, Hindi and Tamil languages.

The organisers facilitated senior most Inner Wheel Past District 318 Chairperson Binnie Nanaiah, who was the Chairperson during 1989-90 and Inner Wheel Member and social worker Selina Vagh on the occasion.

Past International Inner Wheel President Dr. Pallavi Shah, Inner Wheel District 318 Chairperson Anuradha Nandakumar, 'Milestone' Convenor Naina Achappa, Rachana Nagesh, Madhu Nagpal, Lakshmi, Sujatha Senthil Kumar and others were present.

No action yet on guilty Forest Officers

(Continued from page 1)

The Committee found out that the annual action of preventing summer fire by preparing fire lines was not implemented properly. It has recommended to the State Government that funds that were misused for fire line work should be recovered from officials. The Committee has held the then Bandipur National Park Director Ambadi Madhav and his subordinate officers directly responsible for the fire and lack of preparations to face the inferno. Madhav has retired from service now and his last service was at Mysuru as Chief Conservator of Forests.

The Inquiry Committee has cited two reasons for the massive fire — poor quality of fire line work and complete misuse of funds. The report states that no fire lines were drawn in four wildlife ranges of the Tiger Reserve. Even the fire lines that were drawn were of sub-standard quality and it was just 3-4 meters wide instead of 10 meters.

Lantana and Eupatorium cover almost 60% of the forest and both weeds are hardy and highly combustible and this, coupled with wind during February, added to the severity of fire. The Committee observed that lantana is prevalent in other Tiger Reserves as well and no fires have been reported there as they are cleared from places that are prone to fire like safari tracks and other routes that are taken by human beings.

The Committee observed that if officials had been better prepared, they could have doused the fire instead of letting it spread as much as it has. Fire lines should have been ready and fire-watchers hired on time for a season marked by warm and dry winds — conditions that are known to be essential factors in starting and fanning forest fires. Their inaction has led to this large-scale ecological damage, the Committee observed.

Joseph Hoover

Reacting on the non-action against guilty officers, environmental expert Joseph Hoover told *SOM* this morning that even after 20,000 acres of forests were destroyed months ago, the Department has not taken action against the guilty officers. "The Department enquiry Committee has indicted the then Conservator of Forests Ambadi Madhav. Immediate action must be taken and funds must be recovered. I demand that retirement and pension benefits must not be granted to him," Joseph Hoover said.

Echoing similar sentiments, former Wildlife Warden Naveen Kumar felt that action must be taken against Ambadi Madhav under the Prevention of Corruption Act. "It is a clear case of corruption and dereliction of duty and action must be taken against such Forest Officers who have compromised their position of power to meet their selfish ends instead of saving the environment," he added.

Speaking to *SOM* this morning, Head of Forest Force (HOFF) and Principal Chief Conservator of Forests (PCCF) Punati Sridhar admitted that the Committee headed by Harikumar Jha had submitted a report to the Department in April this year. "We sent an interim report to the Government and asked the Forest Department Vigilance Committee. The Committee is yet to submit its report," he said.

Punati Sridhar

"The Vigilance Committee will probe if there are any misuse of funds by officers and will quantify the extent of misuse. We will have to wait for the report to assess the corruption and initiate action against guilty officers. Once the Vigilance Committee report reaches us, action will be taken," he added.

Mysore Airport bags third prize for best decorated airport

Mysuru, Sept.8- Mysore airport, headed by its Director R. Manjunath, has bagged the third prize in the contest held for the best decorated airport in category-III airports.

R. Manjunath

Mysore Airport bagged the prize for exceptional decoration on the occasion of Independence Day - 2019.

The impressive efforts by the airport staff in choosing local themes, laying of impressive rangoli patterns and lighting of the terminal building, helped the airport secure third position in the national contest. The Airports Authority of India (AAI) has sent a letter of commendation to the Mysore Airport in this regard.

V. Somanna holds meeting with contractors ahead of Dasara

Mysuru, Sept. 8(MTY&DM)- With the city contractors threatening to boycott Dasara works for non-payment of pending dues, District Minister V. Somanna held a meeting with contractors at the MCC Old Council Hall here this morning.

Addressing the contractors, Somanna said Dasara was fast approaching and the co-operation of everyone was needed to make the 10-day festival a grand success.

Pointing out that the 'Naada Habba' was meant for everyone, Somanna appealed the contractors to extend their full co-operation.

Maintaining that he will make honest and sincere efforts to clear all dues pending to contractors, Somanna assured that he along with the Chief Minister and resolve the problems of the contractors.

Stating that Rs. 10 crore will be released for Dasara works in a couple of days, the Minister once again sought the co-operation of the contractors in making the festival a huge success, while reassuring that the Government will address their issues shortly.

Referring to cleanliness, Somanna said that the city must be kept clean.

Highlighting the role of contractors in the beautification of the city, Somanna took the officials to task for failing to clear garbage that lay in heaps at many points along the ring road.

Reminding the officials of their responsibility in keeping the city clean, with lakhs of tourists visiting the city for Dasara, Somanna questioned Chief Health Officer Dr. Jayanth on why pourakarmikas contractors were not attending the meeting.

Noting that pourakarmikas are key for maintaining the city clean, he asked the MCC health officials to hold a meeting with pourakarmika contractors and also summon the main contractor, who resides at Bengaluru, and remind them on their responsibilities towards Dasara.

Uday, a civil contractor who spoke on behalf of the contractors, claimed that various Government agencies owed more than Rs. 100 crore to contractors in the city. Highlighting the hardship of contractors in the backdrop of long delay in payments and also non-payment in some cases, Uday said that they get only assurances from people representatives every year during Dasara, but nothing much happens on the payment side thereafter.

Responding to the Minister's plea, he assured that contractors will extend their full co-operation for making the 'Naada Habba' a success.

He appealed the Minister to ensure that contractors get justice in all practicality, atleast this year.

MLAs S.A. Ramdas and L. Nagendra, Contractors Association office-bearer Chandrashekar, Mayor Pushpalatha Jagannath, Deputy Mayor Shafi Ahmed, MCC Commissioner Gurudatta Hegde, MUDA Commissioner P.S. Kantharaj and other officials were present.

ZP CEO K. Jyothi transferred

K. Jyothi

Bengaluru, Sept.8- Mysuru ZP CEO K. Jyothi is among the six IAS officers who were transferred by the State Government late on Saturday.

Jyothi has been replaced by another lady IAS officer Poovitha.

Following her transfer, Jyothi has been posted as the Director of Abdul Nazir Sab State Institute of Rural Development in Mysuru.

Jyothi had taken charge as Mysuru ZP CEO in August, 2018.

Combing begins for trapping elusive tiger

Hunsur, Sept.8 (KK&DM)- With a tiger devouring a cow at Taragan Estate at K.G. Hebbanakuppe village coming under Neralakuppe Gram Panchayat in Hunsur taluk, the Forest authorities have launched a combing operation to trap the elusive tiger, which is said to be on the prowl near the village for the past fewdays.

Taragan Estate owner Thomas Taragan had let cattle graze in the fields of the estate on Thursday, when one cow in the herd went missing.

Later, Taragan found the caracass of a cow lying in a bush on Friday morning, with enough evidence to suggest that a tiger had devoured the cow, following which he informed the matter to Forest Department Officials.

Thereafter, a team of forest officials led by RFO Hanumantharaju, visited the spot.

Later, the Forest officials led by DRFO Veerabhadraiah, launched combing operations with the help of domesticated elephants Balarama and Ganesha, to trace the elusive tiger.

The Department has also installed CC cameras at several points in the vicinity to trace the movement of the tiger.

Minister flooded with requests to save Lakes

(Continued from page 1)

Following complaints, the Minister asked the University authorities to take steps to prevent the sewage flow. During the Minister's visit, none of the high-ranking University officials were present. Only the University Engineer Shivalingappa and Registrar (Evaluation) Prof. K.M. Mahadevan were present.

Walkers complained that the Fish Marketing Federation Outlet behind Crawford Hall sells fish fries and other eatables creating a nuisance, smell and dirt in the area. The outlet has permission only to sell fresh fish and not cooked items. Somanna asked the University officials to immediately stop the outlet from selling fried fish.

"Soon after Oct. 8 after Vijayadashami, my focus will be on the Lakes of Mysuru and I will ensure that the green space is maintained and the lakes are brought back to life.

The ecosystem of the lakes will be preserved and no illegalities will be allowed. I have already discussed with MP Pratap Simha, Chamaraja MLA L. Nagendra to step up efforts to save Kukkarahalli Lake. I will discuss Karanji Lake and Lingambudhi Lake with Krishnaraja MLA S.A. Ramdas," Somanna said.

The Minister also discussed Lake Development with former Chamarajanagar MP R. Dhruvanarayan who was among the morning walkers today and BJP leaders H.V. Rajeev and former Exhibition Authority Chairman B.P. Manjunath.

Somanna also inaugurated the Plastic-free Dasara Campaign launched at Kukkarahalli Lake by K.M.P.K. Charitable Trust where eco-friendly carry bags were distributed to the public. Also, the Minister opened a Bird Watching programme -- 'K.P. Poornachandra Tejaswi - Hakki Pukka,'-- organised by Abhiruchi Prakashana, Karnataka Rajya Raitha Sangha (KRRS) and Hasiru Sene.

Somanna visiting Lake is a gimmick: MLA

Mysuru, Sept. 8 (US&PM)- When the previous Coalition Government had already sanctioned Rs. 2.9 crore for development works at Kukkarahalli Lake, District Minister V. Somanna inspecting the Lake this morning to check on developments sounds superficial and unnecessary, remarked MLA S.R. Mahesh. "It is a gimmick," he said.

Taking a dig at Somanna at a press meet at Pathrakarthara Bhavan this morning Mahesh asked the District Minister to implement the projects approved already by the previous government.

Going further, he said that the BJP Government keeps on reiterating that they would not resort to hate politics. He questioned the rationale then behind the cancellation of road development projects in Hunsur, Chamundeshwari, K.R. Nagar, T. Narasipur and Periyapatna Constituencies together worth about Rs. 80 crore for which the tendering process has been already completed by the previous government.

T. Narasipur MLA Ashwin Kumar, former Mayor R. Lingappa, former Deputy Mayor Shailendra, JD(S) leader Ravichandra Gowda and Corporator SBM Manju were present.

US Open

Rafa to face Medvedev in final

New York, Sept.8- Rafael Nadal reached the US Open final with a dogged straight-set win over Italian Matteo Berrettini.

The Spanish second seed, 33, survived two set points in the opener before his class shone through in a 7-6 (8-6) 6-4 6-1 win at Flushing Meadows.

Berrettini, 23, lost momentum after missing his chance but still showed why he is rated highly.

Nadal, going for a fourth title in New York, plays Russia's Daniil Medvedev in Sunday's final.

The fifth seed, 23, edged the crucial points against Bulgaria's Grigor Dimitrov to win 7-6 (7-5) 6-4 6-3 earlier on Arthur Ashe Stadium.

Bianca Andreescu upsets S. Williams

Becomes Canada's first Grand Slam Singles champion

New York, Sept.8- Teenager Bianca Andreescu became Canada's first Grand Slam singles champion Saturday with a roller-coaster 6-3, 7-5 win over 23-time major champion Serena Williams in the US Open final.

Williams lost to the 19-year-old Canadian at Arthur Ashe Stadium on the same court where she won her first Grand Slam title 20 years ago, nine months before Andreescu was born.

Andreescu became the youngest Grand Slam winner since Maria Sharapova at the 2006 US Open, handing Williams a fourth consecutive defeat in the final of a major to again deny her a record-equaling 24th Slam title.

Williams, 37, suffered a second finals loss in a row at Flushing Meadows, after a 2018 defeat against Naomi Osaka best remembered for a furious tirade against chair umpire Carlos Ramos.

Concrete flooring to tents of Mahouts, Kavadis

Mysuru, Sept.8 (MK&KS)- In a bid to prevent rain water entering the temporary tents of Mahouts and Kavadis at Mysore Palace premises, who have accompanied the Dasara elephants, the authorities constructed a concrete floor at the place were the tents would be erected.

The work has been completed at the place identified for Mahouts and Kavadis, who are arriving in the second batch. The authorities have removed the stone slabs and have concreted the place. Similar, works have also been done at the place where the tents have been erected for the first set of Mahouts and Kavadis, who have already arrived at the Palace.

Mysore Palace Board Deputy Director T.S. Subramanya, speaking to *Star of Mysore*, said Mahouts and Kavadis informed him that rain water was entering their tents and it was difficult for them to sleep on the uneven stone slabs and also to cook food and hence the stone slabs were removed and concrete flooring works was undertaken.

He further said that due to chilly weather, stone slabs become very cold which can cause adverse health effects on Mahouts and Kavadis and hence concrete floors were laid.

Potholes, defunct streetlights need urgent repairs

Corporators urge at MCC Council meeting

Mysuru, Sept.8 (MTY&NNN)- People's festival, Dasara, is fast approaching and tourists will be arriving in large numbers. But the pathetic conditions of the roads full of potholes and the defunct street lights plunging the city into darkness are something that needs urgent attention. Otherwise, celebrate Dasara in darkness...

This was the unanimous cry of the Corporators cutting across party lines at the Mysuru City Corporation Council meeting chaired by Deputy Mayor Shafi Ahmed (in the absence of Mayor Pushpalatha Jagannath) here recently. This demand of filling the potholes and replacing the non-functional street lights was given a unanimous approval.

Corporators object to Commissioner's absence: The Corporators took strong exception to the presence of Additional Commissioner K.N. Shashi Kumar who was representing MCC Commissioner Gurdutta Hegde and demanded that he be present. Bowing to the demand, Deputy Mayor Shafi Ahmed adjourned the meeting for 30 minutes till Hegde arrived.

Accidents increase: 30 minutes later when the meeting began, former Mayor Ayub Khan, Corporators B.V. Manjunath, Shanthakumari, S.B.M. Manju, Gopi, Sunanda Palnethra, Prema Shankergowda, Ramesh and others spoke and said that since the last two years the street lights had become defunct and the roads have plunged into darkness. As a result, accidents, incidences of chain snatching and other crimes had gone up. The public were cursing the Corporators. This has to be viewed seriously and urgent action needed to be taken, they demanded.

They had all become like beggars asking for street lights and potholes to be fixed, they said expressing their displeasure.

Responding to this, MCC Commissioner Hegde said that the Government had plans to install LED lights and the contractors concerned had been entrusted the responsibility. However, due to a few conditions, the contractors were refusing to participate in the tender process.

Nearly Rs.15 crore is required to fill the potholes in the city. However, the Government has released only Rs. 5.75 crore and works will be taken up on a priority basis, he said.

Even the contractors had been approached assuring them of clearing their dues on seniority basis but to continue with the work this year. Besides, about 330 Pourakarmikas are being utilised for the special Swachh Abhiyaan. The tenders will be called before Sept.10 and by Sept.20 all works will be completed, he said.

International cuisine is the flavour at this year's Dasara Ahara Mela

12-day Food Festival to begin from Sept.29

Mysuru, Sept.8 (MK&NNN)- International cuisine is the flavour that every foodie can look forward to, apart from the tribal, State and national delicacies at this year's 12-day Dasara Ahara Mela.

There is lot of planning and thinking that has gone into the Ahara Mela or Food Festival with the aim of introducing international cuisine. Even the stalls will reflect the standards of not only the global touch but the desi or the local dishes will tickle the taste buds.

The Food Festival will be inaugurated on Sept.29 and conclude on Oct.10. Like every year, it will be held at the Scouts and Guides Grounds near the old DC Office and on the MUDA (Mysuru Urban Development Authority) grounds close to Lalitha Mahal Palace Hotel.

In all, there will be 175 stalls set up and one can look forward to tasting delicacies of one's choice on all the 12 days.

The mind-boggling varieties of food that one can taste will come from Budakattu, Malenadu, Kodava, Tibetan, Uttara and Dakshina Karnataka, Rajasthani, Gujarati, Hyderabadi, Kerala, Tamil Nadu, Assam, Mumbai, Punjabi, Kashmiri, as also international cuisine that will include the all-time favourite Chinese, Italian, French, Mexican dishes and the youth's favourites burgers and pizzas.

The cultural city Mysuru has its own distinct food and other items that it prides on like Mysore Pak, Mysuru beetle leaves, Nanjangud Rasabale (banana), Mysore Sandal, Mysore Silk, Mysore Peta, Mysore Mallige (flower).

There are plans to showcase all these items during the Ahara Mela. For the paan lovers, Mysore beetle leaf with gulkan will be another attraction.

Fresh items: One of the best ways to attract a foodie to the stall, while himself or herself could be a very good cook, is to invite them to watch the dishes of choice being cooked. Since cooks from different parts of the country are taking part; one can watch them preparing the dishes and learn to cook those recipes, apart from buying and tasting it on the spot. It is not that one needs to just appreciate the delicacy but one can also learn the ingredients that go into the making of a dish.

Non-Veg Food: There is a famous funky one-liner in a meat shop that reads "Eat Meat Save Vegetables.' Even though there is no exact statistics available as to how many people eat non-vegetarian food in the world when compared to vegetarian food, it is generally believed that nearly 80 to 85 percent people are non-vegetarians, while only 15 to 20 percent are vegetarians.

Though eating non-veg food in public is generally looked down upon in our country, the organisers of the Ahara Mela have always wisely chosen to introduce mouth-watering non-veg food items in the menu.

For instance, the non-veg bamboo biriyani speciality prepared by the Budakattu tribals has become a craze among the people and they always make a beeline to these stalls to polish off this authentic tribal food. Then there is of course the famous mouth-watering Hyderabad biriyani, chicken kababs, tandoori chicken and Karavali region's fish meals to name a few.

Stalls: Ahara Mela will not only have food stalls but it will also focus on the way food is produced. Thus the organic, green, natural, siridhanya (millet) foods that many organic growers are leaning towards will be on display. There will also be a mega cake display at the Mela.

Different Departments to participate: The well-known institution involved in food research — CFTRI (Central Food Technological Research Institute) — as also the other government Departments that include Women and Child Welfare and MyMUL (Mysore Milk Union Limited) will open stalls at the Mela. There will also be juice centres and exclusive coffee and tea stalls.

Priority for safety, quality: The success or failure of any Food Festival lies in its quality and safety. Hence, only after the quality and safety of the food served is ensured will it be served. The Food Inspectors will visit the stalls on a regular basis and check the food items.

Cultural programmes: The Food Festival is not just about food but there are other dimensions to it and the most important is the cultural programmes that will enliven the proceedings. On all the 12 days, there will be Janapada, Bharatanatyam, Kathakali, Odissi dances, Sugama Sangeetha and plays.

One more interesting feature is the preparation of exotic and unique recipes by stars of the small screen which is always an event eagerly looked forward to by the connoisseurs of food.

Eviction of shops atop Chamundi Hill

Shop owners request for alternative arrangements

Mysuru, Sept.8 (SBD&VNS)- Vendors atop Chamundi Hill have urged District Minister V. Somanna not to evict their shops until an alternative arrangement was provided by the authorities.

In a meeting presided by Additional DC B.R. Poornima and ZP CEO K. Jyothi at the Dasoha Bhavan atop the Hill yesterday, the vendors said that about 340 persons including 91 vendors have been dependent on the shops for many years to lead their daily life and added that if evicted from the current location, it would only lead to crisis as their families would come to streets.

Few of the shop owners also demanded the officials not to consider them as unauthorised vendors just because they had been denied the licence for the past few years.

Reacting to District Administration's decision to shift them to an alternative place, the unlicensed vendors said that shifting them to a deserted place would only add to their worries and demanded the authorities to provide them space near the parking area.

Stating that the new shops constructed in the multi-level parking complex lacked basic amenities, the vendors said that they would voluntarily vacate the existing shops if suitable alternative arrangements were provided by the authorities.

Joining the vendors, the Chamundi Hill Gram Panchayat (GP) Members also opined that the authorities had to safeguard the interest of residents atop the hill and added that the shop-keepers and their families were dependent on the daily earnings from the business and it would be difficult for them to fulfil their daily needs if shifted to a bad location.

Both Addl. DC and ZP CEO, who heard the shop owners, assured to bring the matter to the notice of DC Abhiram G. Sankar and District Minister V. Somanna.

Chamundi Hill GP President Geetha, Vice-President Narendra Nayak, Tahsildhar T. Ramesh Babu, PWD Executive Engineer Vinay Kumar, AEE Raju, Temple Executive Officer (in-Charge) Yathiraj Sampath Kumaran, Taluk Panchayat Executive Officer Krishna Kumar, Managing Committee President Kalaiah and around 250 vendors attended the meeting.

It may be recalled that, District Minister V. Somanna, who had visited the Chamundi Hill recently to inspect the development works, had instructed the officials to evict the shops located near the Temple.

Later, the shop owners had met Somanna at Jaladarshini Guest House on Wednesday last and requested him not evict their shops until a suitable alternative arrangement was made.

They also held a protest yesterday by shutting down their businesses to show the inconvenience to be caused to tourists and devotees on shops being shifted to a different location.

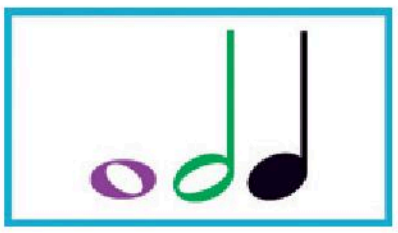
Earlier, the vendors had also met former Chief Minister Siddharamaiah in Bengaluru and sought his intervention to prevent the eviction of their shops. Following this, the former CM had contacted DC Abhiram G. Sankar and Minister Somanna and had requested them not to evict the shops until an alternative arrangement was made.

Minister Somanna, speaking to *Star of Mysore*, had said that safeguarding the environment atop Chamundi Hill was to be given utmost priority and added that devotees should be provided with best of the facilities atop the Hill.

Stating that former CM Siddharamaiah had been briefed about the existing problems atop the Hill, Minister Somanna added that he would revisit Chamundi Hill for another round of inspection and assured that measures would taken to safeguard the interest of the vendors.

WORD OF THE DAY

Minim



Pronunciation: MIN-im.
Meaning: A musical half note; something very minute; a unit of capacity equal to 1/60 fluid dram.
Origin: Like the more common minimum, minim derives from the Latin word minimus, meaning "least" or "smallest." Musicians were the first to note its significance in the 15th century as a word for the half note. Chirographers soon adopted it as a word for a single downstroke in penmanship (such as any of the three in the letter m), and after careful analysis, apothecaries prescribed minim as a word for their smallest unit of liquid capacity. English speakers have also embraced minim as a general noun referring to things that are very small and as an adjective meaning "of the smallest size," as in "a minim amount."
Example: "And yet there are transcendent sparks in [writer Raymond Carver's work that] I keep going back to, moments of human communion that raise his people briefly above the wreckage of their worlds... What's notable here is the clause he felt able to let her go, and also what he does immediately after these lines: 'He brought his arm down and turned to his children.' ... There's a minim of grace in that gesture, of self-forgiveness and, yes, of hope, however fugitive." —William Giraldi, Commonweal.

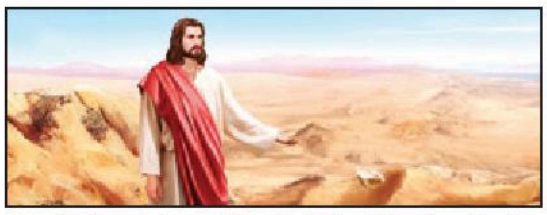
THE ODD WORD

Maffick

To celebrate exuberantly and boisterously.

PHRASE OF THE DAY

Man does not live by bread alone



Meaning: Physical nourishment is not sufficient for a healthy life; man also has spiritual needs.
Origin: From the Bible, Deuteronomy 8: 2-3 (King James Version):
And he humbled thee, and suffered thee to hunger, and fed thee with manna, which thou knewest not, neither did thy fathers know; that he might make thee know that man doth not live by bread only, but by every word that proceedeth out of the mouth of the Lord doth man live. also in Matthew 4:4: But he answered and said, it is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God. and Luke 4:4: And Jesus answered him, saying, It is written, that man shall not live by bread alone, but by every word of God.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
